Itinerary

Day 1

Arrival in Preveza: In the morning, you will be welcomed at the airport and then head to Paleros. The accommodation is available from approximately 1:00 PM, but until check-in, your luggage can be safely stored, and you can relax by the pool.

The village of Paleros is a stone's throw away, where you can enjoy dinner at one of the taverns on the boulevard in the evening.

Itinerary

Day 2

Take the Santa Fe to the abandoned ruin village of Plagia. Or rent a mountain bike!

Day 3

Visit the organic goat farm high in the mountains of Pogonia, only reachable by 4x4.

Day 4

A day to spend as you like! (Tip: visit the Korpi springs or the castle of Vonitsa, both a short half-hour drive away!)

Itinerary

Day 5

After breakfast by the pool, take the Santa Fe and drive about half an hour to Lefkas town. Stroll through the narrow shopping streets and walk along the harbor. Up for discovery? Drive to the abandoned NATO base atop Lefkas, about half an hour further. You'll be treated to breathtaking views of the entire area and pass by old stone 'igloo houses' used for wine and vegetable storage and cooling in summer, listed as UNESCO World Heritage sites! If you wish, you can drive back along the bluest beaches on the west coast of Lefkas.

Day 6

After breakfast, board the fast RIB and sail to Great Vathi, the capital of the Ionian island of Ithaca. Upon arrival, dock in front of the Mentor Hotel, where you will stay for three nights. Over the next few days, visit the picturesque villages of Frikes and Kioni by boat and spend each day in Vathi. If you want to sail or swim in the evening, that is always possible

Itinerary

Day 10

Sail back to Paleros in one go! But with enough time to swim along the way. You're likely to see dolphins in the Lefkas Strait! To complete the adventure, spend the night aboard the Siga Siga. Showers are available at the beach by the harbor, and the Yacht Club provides excellent breakfasts!

Seaside Resort Vasiliki

Day 11

Drive to Nidri, about an hour's drive, a beautiful journey along the east coast of Lefkas. Take the ferry to Fiskardo on Kefalonia. If you take the early ferry, you can enjoy lunch in Fiskardo, a super picturesque harbor town. Then, drive just over an hour to Sotiris near Argostoli, your home on Kefalonia, near Lourdas and Pésada with its beautiful beaches. The route along the west coast of Kefalonia offers steep chalk cliffs and truly stunning sea views!

Day 12

Explore the island and visit the towns of Sami and Eufemia. The interior of Kefalonia is almost as beautiful as the coastal route. Combine it with a visit to the Drograti and Melisani caves and get to know Kefalonia at its best!

Day 13

An extra day to spend freely on Kefalonia!

Itinerary

Day 14

Drive the Santa Fe onto the ferry from Fiskardo to Nidri on Lefkas. Upon arrival, a room is booked for you at the Ianos Hotel right at the harbor of Lefkas town with a pool.
